Chain 255 loosely because first row is worked through the back loop.

Row 1: Working in back loop only, sc in 2nd ch from hook and in each ch across.

Note: By working in the back loop, a 2-loop chain edge is left on the other side. This will match the completed edge along the other side of the scarf. No extra edging is needed. Be careful not to twist the base chain while working.

Row 2: Ch 3 (counts as first dc), skip 1st sc, *skip next sc, dc in next 3 sc, yo, insert hook from front to back in skipped sc (before 3 dc), yo, pull forward and complete dc; repeat * across to last sc, dc in last sc, turn.

Row 3: Ch 1, sc in each dc across, turn.

Repeat Row 2 & 3 until piece measures 7" (17.5cm). Fasten off. Weave in ends.
