Glistening Waters Scarf

Like glistening waters on a beautiful spring day, this scarf sparkles in bright blue and green. When the sequins catch the light, the shimmer will catch everyone's eye. Easy to make in basic crochet stitches, it's a fun addition to your wardrobe. The yarn combination is definitely what caught my attention and inspired me to crochet something from it.

Fringe

Add strands of yarn by loosely wrapping yarn around a DVD case or cardboard that is 6" (15cm) wide. Cut along the bottom. Pick up strands, loop them in half through first row on each end of appropriate color, pull loop with hook from front to back, loop over strands and tighten into knot. After complete, slightly tug on each strand to tighten the knot. For Color A use 4 strands; for Color B use 10 strands. When finished, trim bottom of fringe to even it along edge.
